Aim

To equip students to understand the power and effects of historic and current influencers, equipping them to make good choices on who they allow to influence their lives in person and online. To look at the person of Jesus Christ and his influence throughout history (RE curriculum) and in the world today.

Learning Objectives

- To be made aware of the positive and negative influence others have on our lives.
- To be equipped to choose friends and role models wisely.
- To understand what a Christian is and what they believe.
- To find out what the Bible says about Jesus.
- To reflect on who we allow to shape our lives and beliefs.

Desired Learning Objectives

Students will be empowered to make positive choices on who they allow to influence their lives, knowing that their lives are valuable, they have purpose and that they can be a positive influencer themselves.
