PRAYER FOCUS

NATIONAL DAY OF PRAYER FOR SCHOOLS

THE PUPILS AND SCHOOLS:

'Your Kingdom come'

Pray for every student, school, college and classroom across the nation. Pray for God's presence and peace to be in them, and for his kingdom purposes to be established.

THE GOSPEL:

'Open doors'

Pray for Christian Unions, assemblies, lessons, lunchtime groups, evangelistic events, conversations and every opportunity for young people to hear about Jesus. Pray for the curriculum to create opportunities to share Jesus!

THE LEADERS AND TEACHERS:

'Strengthen them and give them wisdom'

Pray for strength, resilience, joy, compassion and opportunities to influence young people for good. Pray too for Headteachers, senior leaders, governors and decision-makers asking God to give them wisdom, courage, and an openness to the gospel. Pray for Christian voices in these groups.

THE 95%:

'Open their eyes'

Pray for the young people who don't know Jesus that God would soften hearts, awaken spiritual hunger and reveal himself to them. Pray for their salvation and this generation to discover Jesus' love for them.

THE CHURCH:

'Here I am send me!'

Pray for churches, youth workers, evangelists, parents and Christian teachers. Pray too for local churches as they connect with schools to reach the young people on their doorsteps.

THE VULNERABLE:

'Be near to the broken hearted'

Pray for young people facing poverty, loneliness, abuse, bullying, family breakdown, mental health struggles, addiction and violence. Pray for God's mercy and peace.

THE 5%:

'Make us bold'

- Pray for Christian young people. Pray for boldness to share their faith and that they would see their schools as their mission field. Pray each of them would be unashamed about the gospel!

THE CHAPLAINS:

'Sent to serve'

Pray for school chaplaincy teams and the opportunities they have to share the gospel with pupils and staff. Pray God will continue to build relationships and for each member of chaplaincy teams as they serve.

REVIVAL:

'Come, Holy Spirit'

We end big. Pray for salvation, discipleship and a spiritual awakening in schools across the UK. We long to see a generation encountering Jesus and carrying his name into their schools!!
